Grace Cathedral

Join us for a special Grace After Hours labyrinth walk, with long time collaborators Martin Gregory and Cindy Pavlinac for an inspirational evening of meditative music and amazing images. Composer and musician Martin Gregory deftly crafts memory, passion, and spirit of place into music which is meditative yet lively, moving and transformative. Incorporating celtic, symphonic and jazz motifs, he layers sweeping harmonies and engaging melodies into a musical experience that transports the listener to places of mystery and power. Selections include new improvisations as well as themes from his best selling music CD, *Labyrinth Walk*. Fine art photographer Cindy Pavlinac presents a multimedia show of images projected onto 30 foot hanging silk veils featuring photos of pilgrimage destinations, prehistoric megaliths, sacred sites, and labyrinths.
